

RUSHMORE

The first impression of the Rushmore is one of roominess and light, enhanced by large panoramic windows. The lounge has a fully vaulted ceiling that continues throughout the other areas, and there is generous space for family and friends. This latest model, with its proven layout and refreshing decor has a comprehensive list of standard options. With fridge as standard, the Rushmore is the ideal affordable family holiday home.

## Standard Features

**Fold out sprung double bed to lounge**  
Stylish, smooth to operate and superbly comfortable as both sofa and bed

**Gas fire**  
Instant warmth, easy controls and an attractive design, with full safety features

**TV Point in lounge**  
For clear reception where an indoor aerial is not sufficient

**Net curtains to lounge and bedrooms**  
Providing privacy and complementing your decor in a pleasing design

**Bay window in lounge**  
More space, more light – outstanding from every point of view!

**Spacious dining area**  
Generous seating and plenty of elbow room for everyone to eat in comfort

**600mm cooker with electronic ignition and grill**  
Top-quality domestic-sized hob and oven to cater for full family meals

**Integrated fridge with ice box**  
Compact and capacious – the perfect combination

**Metal drawer system**  
Strong, easy-running kitchen drawers for smoothness and durability

**Sprung bed mattresses**  
Top-grade mattresses in light metal frames for maximum comfort and support, with additional storage space beneath

**Moveable twin beds**  
For maximum comfort and adaptability to suit individual needs

**Under seating storage (in lounge area)**  
You can never have too much space, and the Rushmore's generous cupboards are supplemented by discreet but easily accessible underseat storage

**Exterior light**  
A simple way to increase safety and security

**Underfloor insulation**  
Fibreglass insulation to conserve heat and reduce costs

## Optional Features

**Environmental exterior with green windows**  
To help your holiday home harmonise with its surroundings

**UPVC double glazing including twin axle**  
Not only energy saving, but gives added security and easy maintenance

**Gas fired central heating including twin axle**  
Create your perfect comfort zone

**Pre galvanised chassis**  
Zinc-coated steel ensures long-lasting protection against rust

**Fridge freezer upgrade**  
We've provided the space – you make the choice

**Low wattage panel heaters and heated towel rail**  
Background warmth and an extra touch of comfort

**Bed covers and pillow cases**  
Designed specifically to match the interior of your holiday home

**CO detector**  
A smoke alarm is fitted as standard. The carbon monoxide detector is a sensible additional precaution

**All electric spec**  
Electric oven, hob and heating as an alternative to gas
